17 Apr, 2020 – A fresh, fruity red with dried-cherry and orange-peel aromas. Hints of prunes and dried fruit. Full body, creamy and soft tannins and a flavorful finish. Yet, this is reserved, clear and delicious. Drink or hold.

17 Apr, 2020 – I like the complex, slightly forward aromas of dark fruit, light chocolate and dried fruit. Some figs, too. Full body, round and velvety tannins and a flavorful finish. Rich Amarone, but I like the bitter-chocolate and burnt-orange undertones at the finish. Drink or hold.
